- lightweight day pack
- facemask or other cloth face covering
- hand sanitizer
- 1 liter water bottle
- lunch
- long or short pants (quick-dry preferred – avoid cotton).
- work boots
- work gloves (we can provide)
- sandals (preferred strap on the back), water shoe, or running shoes
- swimwear
- short and long sleeve shirt (quick-dry preferred).
- light jacket
- ball cap or brimmed hat for sun protection
- bandana
- Rx glasses/contacts as needed
- sun glasses
- sun screen
- chap-stick with sunscreen protection
- prescription medications as needed
- over-the-counter medications as needed
- beach towel

### **Supplies Provided by CCASC**

- All activity equipment
- Hand sanitizer/hand washing station
- Water for refilling participant's personal water bottle

### **Tips for mountain environment**

1. Drink more water
2. Protect skin and eyes (sunscreen & sunglasses)
3. Be prepared for weather changes
